Production Scheduler

Description

The production scheduler will be responsible for the day-to-day production scheduling for all departments. This position will work closely with sales, estimating, engineering, purchasing and plant management. All production jobs will be released through the production control department. All orders are to be reviewed for accuracy ensuring the manufacturing order meets the scope of supply that was sold. The production scheduler will produce and update manufacturing orders to provide the most efficient workflow and proper yields are being utilized. Monitoring inventory and communicating both outsourced services and material requirements as needed.

Jahabow is a retail solutions manufacturer. We build the highest quality commercial grade retail display cases as well as millwork/décor. Our retail display cases are ideal for use in many retailer channels such as: jewelry, luxury, pawn, sporting goods, cannabis, and more.

We are the industry leader in Secure Display Cases with the TDL Series and inventor of the TDL (Theft Deterrent Level) Criteria for loss prevention. Headquartered in Owensville, MO we pride ourselves on the quality of our work and many of our display cases have been in the market for over 20 years.

We work with wood, glass, and metal and carry a variety of standard sizes or can build to your custom specifications. Jahabow is an Equal Opportunity Employer.
