Wood Machine Supervisor (2nd Shift)

Description

We are seeking a **Wood Machine Supervisor** to join our team on the 2nd shift.

The Wood Assembly Supervisor is responsible for supervising and coordinating the work of employees who set up and operate machines for cutting wood and machining wood units.

Jahabow is a leading designer and fabricator of commercial-grade retail display cases and millwork/décor. Associates work directly with leading retailers like Sam's Club, Academy, Kohl's, and Walmart to create shopping experiences seen every day. Our company must foster a creative and self-motivated atmosphere to be relevant in today's retail world and is looking for energetic and industrious people to help us build on our decades of success.

Jahabow is an Equal Opportunity Employer.
